## **BELOW ARE MORE SCAM INSTRUCTIONS THAT ANDREW WILL SEND YOU IF YOU CHOOSE TO BUY INTO HIS SCAM:**

# BirdOnlineMedia.com Training Guide

The first step is to make sure you have:

1. A smartphone or ipad/tablet with a large data plan or unlimited data plan. It does not matter what cell phone company you buy from or get service with. You need to make sure it has the “personal hotspot” feature which most phones and tablets have these days. You should be able to use the phone or tablet you already have.
  2. You should buy 2 different USB wifi adapters. They are around \$10 each on amazon. Get 2 different ones, so you can easily tell them apart on the computer. If they are the same manufacturer and model, then it is hard to tell them apart on the actual computer when they are plugged in.
  3. Make sure you have had the software installed by us. Make sure you install the usb wifi adapter on the virtual machine.
- 

You can post up to 5 Craigslist ads per account, per 24 hour day. However, you should try to limit it to 3-4 posts a day max if you can. You should try to only do 1-2 post per account within 30-60 minutes, then wait to post more on that account.

**RENEW YOUR CRAIGSLIST ADS EVERY 48 HOURS! RECORD THE TIME YOU POST. CHECK BACK TO SEE IF IT WENT LIVE OR GOT FLAGGED.**

---

Make sure you change the mac address and IP address each time you log into a new account. Use the software program TMAC to change the mac address. Open Tmac, then click wifi or wireless adapter. Then click random mac address a few times, then click change now.

To change your IP address, put your phone or tablet on “Airplane Mode” for about 1-2 minutes or longer. Then take it off airplane mode and it will have a new IP address when you use the personal hotspot.

**\*\*\*\*Make sure you change the mac address and IP address each time you log into a new account.\*\*\*\***

You need to create a main gmail account for this business. It can be named anything you want, but I would make it something professional. You can have the word advertising in there or ads, etc.

You can start posting with your normal Craigslist account. After that you will need to make a few Craigslist accounts to start posting there. The first step is to make a few gmail accounts. Make sure you forward all of these gmail accounts to your main gmail account that you are using for this business. Then use a gmail account to make a craigslist account. Use as many phone numbers as you have in your house to verify as many craigslist accounts.

Use all of your family and friends phone numbers first. When you need new phone numbers, here is what you will need:

1. You need an unlocked cell phone with a sim card slot. If you already have one, that is great. If you do not, then you will need to buy one. It is very cheap.

Here is a cheap unlocked phone for \$22 with free shipping: [https://www.amazon.com/BLU-Unlocked-Dual-SIM-Camera-Battery/dp/B00O5EU7TQ/ref=sr\\_1\\_10?s=wireless&ie=UTF8&qid=1504117569&sr=1-10&keywords=unlocked+cell+phone](https://www.amazon.com/BLU-Unlocked-Dual-SIM-Camera-Battery/dp/B00O5EU7TQ/ref=sr_1_10?s=wireless&ie=UTF8&qid=1504117569&sr=1-10&keywords=unlocked+cell+phone)

Here is a nicer, more expensive one for \$40 with free shipping: [https://www.amazon.com/Alcatel-Ideal-Unlocked-Android-Desbloqueado/dp/B01M24QYPN/ref=sr\\_1\\_5?s=wireless&ie=UTF8&qid=1504117569&sr=1-5&keywords=unlocked+cell+phone](https://www.amazon.com/Alcatel-Ideal-Unlocked-Android-Desbloqueado/dp/B01M24QYPN/ref=sr_1_5?s=wireless&ie=UTF8&qid=1504117569&sr=1-5&keywords=unlocked+cell+phone)

2. You need an H2O wireless sim card, it is 1 penny with free shipping: [https://www.amazon.com/H2O-Wireless-SIM-Card-Kit/dp/B004MF3IA8/ref=sr\\_1\\_2?ie=UTF8&qid=1504118599&sr=8-2&keywords=h2o+sim+card](https://www.amazon.com/H2O-Wireless-SIM-Card-Kit/dp/B004MF3IA8/ref=sr_1_2?ie=UTF8&qid=1504118599&sr=8-2&keywords=h2o+sim+card)

When you have the sim card and phone, you need to activate the sim card for the pay as you go plan on the H2o wireless network. Get the cheapest plan which is \$10 for 90 days. This will give you 1 phone number which you can use to make a verified craigslist account. Then you can use the live chat feature on the H2o website to change your number. I think you can change your number 3 or 4 times. That way you get 4-5 numbers for your \$10 which is approx \$2 per number. Use these numbers to verify the gmail/craigslist accounts that you will use to post. Keep in mind you can use your personal cell phone number every few weeks as well.

So now you are able to post as many ads as you want on craigslist and other websites. Post in the following sections for our Mortgage business for sale.

Post in the biggest cities in the USA. Post as many ads as you can. Remember to forward all of your gmail accounts to your master gmail account. Forward all responses from your ads to me.

1. For Sale> Business for sale

2. Services> Financial

Any other sections you can think of.

Feel free to post anywhere and test new ads! The more responses an ad gets, the better it is. If you post new ads and find one that gets a lot of responses, then it is a gold mine. You can get sales by posting literally anywhere. You could post on a forum or any website. Craigslist is probably one of the best sites to get sales on right now, but the sky is the limit.

You are allowed to edit our ads. Here is a sample ad that I use:

**Subject1:** Internet business for sale that makes \$100+ per hour profit

**Subject2:** Extremely profitable internet business for sale

**Subject3:** Profitable Internet business for sale. One of a kind

\*\*\*FEEL FREE TO EDIT THE SUBJECT OR AD\*\*\*

Ad1: I am selling a franchise of my internet business. The business makes \$100+ per hour in profit. It is very profitable. I buy and sell leads online. You don't have to call any customers, all you do is buy the lead online and sell it nearly instantly for a big profit.

No special skills are needed. I am including training, set up, support, and everything you need to start making money online with me.

You can literally work from anywhere in the USA, from your computer. You can work any hours or days that you choose. There are too many leads for me to handle that is why I am selling a franchise.

The business is \$40K. Owner financing available with a \$20K down payment.  
Serious buyers only. Thank you

---

\*\*\*\*FORWARD all responses from your ads to me, so I know it came from you. I will let you know when someone decides to buy. \*\*\*\*\*

All payments to you will be as soon as your client pays us.
